## INVESTIGATION:

On Friday, January 31, 2014 at approximately 1800 hours, my partner (Officer Rosales #115) and I (Officer Ramirez #139) were pedaling eastbound in the 6700 block of Hollywood Boulevard. As we neared the McDonalds located at 6776 Hollywood Boulevard, we saw four subjects seated along the raised pillar of the west entrance/exit of McDonalds. Furthermore, we saw two other subjects seated on the sidewalk with their feet fully extended (in violation of 41.18 (d) L.A.M.C. (Sitting/lying/sleeping on the sidewalk. They also had a small dog with them and several back packs and duffle bags strewn about the sidewalk. Several pedestrian walking/exiting McDonalds and walking on the sidewalk had to walk around them.

Based on the aforementioned violation, we decided to make contact with them. As we approached the subjects, we informed them of the violation and they cooperated by standing up. While doing so, I noticed a large can (25 ounce) of "Budweiser" Beer resting on the sidewalk next to where they were seated. Due to the fact that we did not see any of them drinking nor we could show dominion and control, we decided to conduct a fixed surveillance from across the street.

We had a clear view of the subjects and our view would sometimes be obstructed by vehicular traffic as it stopped for the red light at Highland

Avenue. While conducting a fixed surveillance, I requested Officer Trujillo to monitor their activities via the camera located in the B.I.D. Office which has a clear and unobstructed view of the McDonalds entrance/exit.

While conducting our fixed surveillance, I saw a M/W subject with a beard and corrective lenses pick up the beer can and hold it to his side. I/we saw the M/W subject raise the can to his lips and take a long drink from it. Almost simultaneously, Officer Trujillo informed me via the radio that he had witnessed the subject take a drink while viewing him from the camera located in the B.I.D. Office.

We kept a constant “eye” on the M/W subject and as we approached him, he was conversing with another M/W subject and never saw us approach him as he was still holding the ‘Budweiser” beer can with his left hand. As I was approximately 3 feet away from him, he raised the “Budweiser” beer can to his lips and was about to take a drink when he noticed our presence. He immediately lowered the “Budweiser” beer can and placed it behind his feet as though trying to hide it from us.

I informed the subject of the reason of our contact and he made the spontaneous unsolicited statement of “I’m sorry officer, I didn’t mean to disrespect the badge”. Upon closed inspection of the beer can, its contents smelled similar to beer, it was approximately ½ full and slightly warm to the touch. Furthermore, its label indicated that it was 8% alcohol per volume.

I informed him that we were not peace officers however were placing him under Private Person’s arrest for drinking in public. The subject was identified as, Kimble, James Ross III D.O.B. 12/30/93 and was taken into custody without incident.
